

Supply List

Pastels with Jean Lajaunie

Materials

Starter set soft pastels. Should be approximately 12 sticks and should state “SOFT” and should be for general use not specifically listed for portraits, landscapes, etc.

1 charcoal pencil #2 or darker.

1 soft white pastel pencil. (Be sure it is the softest white available)

OPTIONAL – starter set of Conte Pastel Pencils

Good pencil sharpener or utility knife with new blade for sharpening pencils.

1 sheet either:

- a. Pastel Board (can be cut to whatever size you want OR
- b. Artist sanded paper (can be cut to whatever size you want) OR
- c. Heavy toothed watercolor paper OR
- d. Pastel paper (paper is not mounted and comes in multiple colors)

NOTE: These papers/boards can be purchased at Hobby Lobby and/or any other art supply stores and can be purchased in several colors, usually gray, green, white or tan.

Bring with you a picture you would like to paint. I would suggest that you not work on portraits at this time, however, flowers, animals, birds, still life or landscapes will work well.
