Come enjoy a day of painting with Bob Viosca at the Slidell Art League on Saturday, July 10, 2010, 9:00 am--2:00 pm.

Bob is a Louisiana native who has been studying and practicing art for over 45 years. He originally worked in watercolors, and now works in oils and acrylics. He describes his painting style as "somewhere between impressionism and realism, with subject matter of all kinds. Many titles are whimsical, reflecting a weird sense of humor." He has traveled all over the world. Bob works with the Armory Art Center in West Palm Beach, Florida, and paints in Tuscany yearly with their staff. His art appears in galleries in Minnesota and Louisiana.
